**DEADLINE:** September 18

---

Thanks for your interest in participating in this year's festival. We will contact you a week prior to the event with space assignment, map and vendor parking permit.

The vendor shall provide his own tent, tables, chairs, etc. Your business name with Sales Tax ID # should be posted visibly at your stand.

Vendor vehicles will be permitted on Main Street only when loading and unloading until 10:30 a.m. and then moved to a designated festival parking area. Please no parking on Main Street.

Restroom facilities will be provided and a variety of food vendors will be on site.

We request no flea market or commercial items be sold. We also try to limit the number of "like" items, so you may be asked not to sell specific items. We want to provide the public with a variety of high quality, hand crafted wares.

Security is the responsibility of the vendor. Foxburg Festival and affiliates shall not be responsible for any damage, theft or injury to vendor's person or property.

Last year's Chinese Auction was such a success, we're organizing another one to help absorb costs and would appreciate each crafter to donate an item.

We will have festival volunteers about if you need a helping hand or a quick break. We want to make this year's festival a memorable one for all involved.

If we find we are unable to accommodate you, we will contact you immediately. Any questions can be directed to Debbie at (724)659-0021.
